

Welcome to the Course

Thank you for joining this course!

Before we begin, these are the basic requirements for this course:

Prior knowledge	This course requires basic familiarity with Claude Code. While optional, experience with GitHub can also be helpful.
Programs & setup	Students can follow along with Claude Code and any code editor (such as Visual Studio Code). Students will also need to install Node.js v24 or higher. The setup of a code editor is NOT covered in this course. However, you can find basic setup information for Visual Studio Code here.
